

Guard Cutter *Citrus* in Coos Bay, OR; Chief of the Maritime Law Enforcement School at the Coast Guard's Training Center in Petaluma, CA; Commanding Officer of the Coast Guard Cutter *Anacapa* in Petersburg, Alaska; Program Reviewer in the Programs Division of the Office of the Chief of Staff, Coast Guard Headquarters, Washington, DC; Commander of Coast Guard Group Ohio Valley in Louisville, Kentucky; and Executive Assistant to the Atlantic Area Commander in Portsmouth, VA. His most recent assignment was as Deputy Chief, Office of Programs and Chief, Programs Review Division in the Office of the Chief of Staff at Coast Guard Headquarters.

Captain Springer's military decorations include three Coast Guard Meritorious Service Medals, two Coast Guard Commendation Medals, two Coast Guard Achievement Medals, and a Commandant's Letter of Commendation.

Beyond it all, I have always been struck by Captain Springer's down-to-earth "just the facts" approach. He is simply a good guy who wants to get it right; and I, for one, am grateful for that.

Mr. Speaker, I ask that you join with me in thanking Captain Curtis A. Springer for all he has accomplished in Sector Baltimore, and to wish him the best of luck in his next assignment.

REMEMBRANCE OF JEFFREY JARNELL JOHNSON, JR.: A LIFE OF ACCOMPLISHMENT, CARING AND PROMISE

HON. KENDRICK B. MEEK

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 25, 2006

Mr. MEEK of Florida. Mr. Speaker, Jeffrey Johnson was a strong and gifted young man. I recognized it, and my staff recognized it, when he served as a high school intern in my Congressional office. His teachers also recognized his abilities, as did his coaches, and even college administrators at institutions he never attended. He was a bright and shining young man with talent, direction and purpose, and he had unlimited potential.

When Jeffrey put his mind to something, and focused his energy on it, he would overcome any obstacle to achieve it. Today, Thursday, May 25th, Jeffrey would have graduated Summa Cum Laude, and received the Miami-Dade County School Superintendent's Diploma of Distinction, from Carol City Sr. High School. He was imbued with intelligence, as evidenced by his grade point average, which landed him a Bright Futures full academic scholarship to St. Thomas University in Miami, where he looked forward to studying law.

I truly believe that Jeffrey would have become a leader in our community and perhaps even in our country, a person of consequence, a role model for others, and a force in the world for good.

Sadly, however, this strong, gifted, 17-year-old young man was tragically and senselessly killed in a shooting early Sunday, May 21, 2006. Our entire Dade County community is consumed in grief and sorrow because of his passing. His funeral services will be held Saturday, May 27th, at the New Birth Baptist

Church Cathedral of Faith in Miami, Florida. The heart of every caring person aches because of the burden that now must be borne by his father, Jeffrey Sr., his mother, Brenda, and his beloved sister, Jarrika. The magnitude of their loss is truly beyond understanding.

I had the distinct honor and special privilege to have this young man serve as an intern in my office, where he epitomized standards of excellence and personal warmth in responding to the needs and concerns of my constituents. Many of them recall Jeffrey as the young intern who greeted them with utmost respect and empathy. He easily stood as a model student, defined by his quiet but dignified demeanor. His exemplary conduct and his study ethic garnered him the unique distinction that served as an example to all students seeking to prepare themselves as the leaders of tomorrow through the power of the educated mind and the sensitivity of a caring heart.

Jeffrey was a very special young man, and we are fortunate to have known him and are grateful for the gifts he left with us. Every person of goodwill is moved by his extraordinary life and the tragedy of his premature passing. I pray that his family will somehow be comforted by the fact that Jeffrey graced our lives, that he touched the lives of so many people during his all-too-brief time on this earth, and that we will never forget him.

ENERGY AND WATER DEVELOPMENT APPROPRIATIONS ACT, 2007

HON. MARK UDALL

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 25, 2006

The House in Committee of the Whole House on the State of the Union had under consideration the bill (H.R. 5427), making appropriations for energy and water development for the fiscal year ending September 30, 2007, and for other purposes:

Mr. UDALL of Colorado. Mr. Chairman, on Rollcall 198, I inadvertently voted against the amendment offered by my colleague Rep. ROSA DELAUNO to restore \$25 million to the Department of Energy's State Energy Program. I had intended to vote yes because the State Energy Program is effective and important program that provides vital funds to 55 State Energy Offices around the country.

While energy prices continue to escalate, State Energy Offices are one of the few on the ground resources to increase energy efficiency for consumers, educate the public on ways of reducing energy use, and monitor the price and supply situation.

That's why I was puzzled and disappointed that the Energy and Water Development Appropriations Subcommittee effectively terminated the State Energy Program, SEP, in its FY07 bill.

In many of the States, the impact will be devastating. For States without other dedicated sources of revenue, State energy services will be terminated. Many legislatures have already adjourned for the year and will not have an opportunity to attempt to step into the breach. Destroying the State Energy Offices at the very time that energy costs are hovering at record highs, many oil producing nations are unstable, and supplies are tight makes no sense.

It was just last year that this body voted to authorize \$100 million for the SEP in the Energy Policy Act of 2005. In his FY07 budget request, the President asked for \$49.5 million for the SEP, restoring a 20 percent cut from last year. So I find it troubling that the Energy and Water Development Subcommittee voted in contradiction both to the Administration's proposal and the recently adopted energy policy of Congress.

SEP has a proven record of reducing energy consumption for residential consumers, as well as schools, hospitals, small businesses and agriculture, and has funded a variety of important programs in Colorado.

Restoration of SEP funding will have an immediate effect on reducing demand for energy, allowing us to leverage specific investments in a variety of energy efficiency projects in all types of buildings. In addition, SEP funding will permit us to expand aggressive public information efforts, convincing consumers and businesses alike to increase their use of energy efficient products, add insulation to their homes, utilize hybrid or ethanol-fueled vehicles, etc. Studies have shown that for every Federal dollar invested in this program, over \$7 is saved in direct energy costs.

I am pleased that the DeLauro amendment passed the House, and I regret that the final vote tally does not reflect my strong support for the State Energy Program.

TRIBUTE TO DORETHA ADAMS

HON. JAMES E. CLYBURN

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 25, 2006

Mr. CLYBURN. Mr. Speaker, I rise today to pay tribute to a wonderful educator who has devoted her career to giving our young children a literal head start in life. Mrs. Doretha Adams is retiring after more than 35 years of teaching, and I join with those celebrating her extraordinary career.

Mrs. Adams knew when she attended college in Columbia, SC. that children were going to be an important part of her future. She graduated from Allen University in 1965 with a bachelor of science degree majoring in science and minoring in physical education. She also earned a therapeutic recreation degree from Benedict College along with a child development certification. She continued her education at the University of Georgia and South Carolina State University where she completed a master's degree in early childhood education.

Mrs. Adams's career in education began in 1965 at Central High School in Amherst, VA, where she taught science and physical education. She also found time to coach the Girls Varsity basketball team for 3 years.

However in 1969, she returned to Columbia, SC, and served as a substitute teacher in Richland School District One. As a parent, Mrs. Adams found a new career when she enrolled her first child at Ridgewood Headstart Center in 1972 and became a volunteer and the PTA president. Her enthusiasm for the Headstart program was evident, and the following year she was offered a position as a Headstart teacher with the Midland Community Action Agency, which later became the Midland Human Resource Development Commission. There she flourished in the classroom
